OUR APPROACH
The Institute strives to incorporate a realistic assessment of the threats facing the United States and its allies, as well as the challenges facing U.S. intelligence, defense, law enforcement, homeland security, and cybersecurity communities. NSI is committed to identifying legal and policy solutions that both safeguard constitutional liberties and that enable a robust national defense.
Our Work

Law & Policy Solutions: We produce timely research and policy materials that deliver insightful analysis and actionable recommendations to senior policymakers in the White House and key departments and agencies, as well as those on Capitol Hill.

Advancing The Debate: We use our position at the forefront of national security law and policy to host high-profile events and conferences that highlight key decision-makers, engage the wider national security community, and advance the most critical debates.
